Vienna, Austria celebrates another 2 Worlds First Tricks

Vienna Austria, April 1st 2019 - Dawid Godziek rules victorious at the 2nd edition of Dirt Battle Vienna. Swiftly followed by two austrian riders, Peter Kaiser in second and Dorian Macher in third. Next to the great setup from Balzamico Trail Design including a huge 8m Roll-In Tower, a dirtjump and a quarter-pipe there was enough space for massive crowds at the Argus Bikefestival in Vienna. 2 worlds first tricks have been landed at Dirt Battle Vienna successfully and another 3 to 4 have been tried. The contest immediately returned on the big stage in it's second edition!

After being in second place last year Polish Red Bull athlete Dawid Godziek struck back and ended up winning Dirt Battle Vienna 2019 with a worlds first Cashroll - Double - Barspin. A trick the world has never seen before! "I am so happy, to be back! I can't believe it myself! "The level was so high so I had to try and land it! The huge crowd definitely helped me to push my limits and I can't wait to be back at Bikefestival Vienna next year!"

Right on Dawids heels was the Austrian Peter Kaiser who is amongst the best mountainbike dirt and freeriders in the world and recently got his first win at the Crankworx Rotorua Whip Off Championships. His tricks were unreal and his Cork 720- no hander to can landing put him right into second! Besides that the Austrian „Caesar“ of mountainbiking took the win at the highest air competition with a final height of 9.05m that no other rider was able to beat. "We need more events like this! To ride a session here in front of that many people right in the city centre of Vienna with all my Friends is just unreal. It can't get any better!"

Peters 18 year old countrymate, Dorian Macher gave it all he had and he was looking super strong throughout the whole weekend at his first ever Dirtbattle! His amplitude almost made the dirtjump look small. He claimed 3rd place with an unbelievable Doublebackflip - no hander! "Never ever in my Life I have been riding in front of such big crowds. The atmosphere was just unbelievable. Huge thank you to Andi Brewi for making this event happen and I can't wait for next years edition!"
